

**A MARKET PLACE EXPERIENCE FOR ALL AGES
(Children, Youth and Adults)
Peter Rock and the Vision
(in Caesarea)**

This year's VBS will again be a ONE DAY "MARKETPLACE EXPERIENCE" FOR THE ENTIRE FAMILY. Everyone is welcome to come on this day, form into families (classes of different ages) and begin the journey through Biblical times with their Family Leader. Each family member in the group will receive a special color sash which easily identifies who is with which group.

The Family Life Center will be transformed into the market places of Biblical times where participants will visit the shopkeepers who will tell their story. They will also do crafts and enjoy recreational games . Then, everyone will have the opportunity to visit Peter and Cornelius.

This year our One-Day Marketplace Experience immerses learners of all ages in Bible times culture, helping kids and adults explore what it might have been like to live as the church was just beginning. Families will experience traditions, taste new foods, try different arts and crafts' projects, and discover that The special message and the good news is that Jesus is the Lord of all and that everyone who believes in Him will be forgiven for their sins.

We will also have a live animal Marketplace area in the front of the church with goats and sheep.

Pick up registration forms around the church and in the church office. Fill them out and return them to the office area. We at First United Methodist Church welcomes our entire Pulaski community to this VBS experience.
